A12 The tenders will be opened in public at 2 P.M. on 24th October 1952. The work should be completed and handed over to the Department in a tidy condition within the period noted and the monthly progress should notlbe less than the amount specified against each work, failing which, penalty as per agreement or departmental rules in force at the time will be enforced.

The plan, detailed estimate and the conditions may be seen at the Offices of the Executive Engineer, Electrical Division, Bangalore, the Assistant Engineer, No. 1 Electrical Sub-Division, or the Offices of Power and Lighting of this Department for works in their sections on all working days during the office working hours.

Tenders are to be submitted in the prescribed forms only which can be had from this office on payment of annas four per set of forms for each work. The forms can also be had from the Assistant Engineer, No. 2 Electrical Sub-Division, Bangalore, or through post direct to intending tenderer, provided the cost of forms *plus* postal charges, in case forms to be sent by post, is paid in cash and requisition be given well in advance. This office will not be responsible for delay or non-delivery of tender forms sent by post.

Each tender must be accompanied by a deposit specified as earnest money. The earnest money has to be paid in cash at this office or any Power and Lighting Office of this Department and the receipt enclosed to the tender.

No tender will be received without deposit and no adjustment can be made from the pending bills or the deposits of other works towards the tender deposit of this work.

The final acceptance of any tender will rest with the Chief Electrical Engineer to the Government of Mysore, Bangalore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender, who also reserves the right to accept or reject any portion of the tender.

Within eight days of the award of the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered cancelled and his earnest money forfeited. The work should be started within a week from the date of acceptance.

On acceptance of one of the tenders, the earnest money on rejected tenders will be returned either in this office or through the Assistant Engineer or any of the Power and Lighting Offices of this Department, on the tenderer submitting refund bill surrendering the original receipt granted.

The contractor has to make his own arrangements at his cost for water required for construction, quarries supply and transport of materials. This department does not undertake to provide lorries.

Specifications for Civil Engineering Works are those recognized by the Public Works Department of Mysore and Marryot's Specifications (P.W.D. Hand-book, Bombay).

Only controlled articles like steel and cement, etc., will be supplied by the Department at the nearest departmental stores at controlled rates *plus* incidental charges at 15 per cent or other percentage as per departmental rules in force at the time of issue of the materials.

The contractor himself should pay royalties, tolls, sales-tax and any other tax that may be prescribed by Government from time to time and furnish Income-tax Clearance Certificate before execution of the work.

The contractor shall be bound by the conditions of the schedule of contract of the Electrical Department.

M. S. MADHAVA RAO,
Executive Engineer.
